Empowering and Restoring Lives

About GenerateHope

We serve sex trafficking victims by offering a real way out. GenerateHope is a faith-based organization providing long-term, comprehensive programs for women who have been sexually trafficked so that they are able to reintegrate into society and walk powerfully into their futures.

Founded in San Diego in 2009, GenerateHope has served over 160 survivors. There is a dire need for a comprehensive housing program in Colorado. The home opened in Northern Colorado July of 2022.
