

CA PROGRAM MANAGER AD

GenerateHope is currently seeking a **Program Manager** for our **Southern California** location. GenerateHope has been providing residential services to sex trafficking survivors for 15 years through survivor-founded and survivor-led programs. Duties for this position include directing/supervising our continuity of care model for the recovery and transition program staff, including therapists, case manager, residential staff, education/vocation specialist, and adjunct therapy volunteers. A master's degree in social work or other counseling degree is required, as is licensing. We would like a candidate who has experience in work with sex trafficking or other trauma and experience supervising and/or program management; EMDR skills are a plus.

Benefits include:

- Medical Insurance
- Dental Insurance
- Retirement plan after one year of employment
- 10 paid holidays
- Paid Vacation Leave
- Positive work atmosphere
- Opportunities for growth
- Rewarding career
- All female staff

Salary range: based on experience

GenerateHope has teams that work and collaborate well together. Teams with hearts for sex trafficking survivors and desire to walk beside them as they reach for their dreams and establish new goals for their futures. If this sounds like you, please send your resume and cover letter to Susan Munsey at Susan@GenerateHope.org
